SUMMER MEAL PLANS?

Summer will be here before we know it, and now is the perfect time to start sharing details about your summer meal program. The more information we have, the easier it is for us to create engaging content that helps families learn about your sites.

Please take a moment to fill out our [summer meal survey](#) if you haven't done so already! Share all your summer meal details and let us handle the rest!

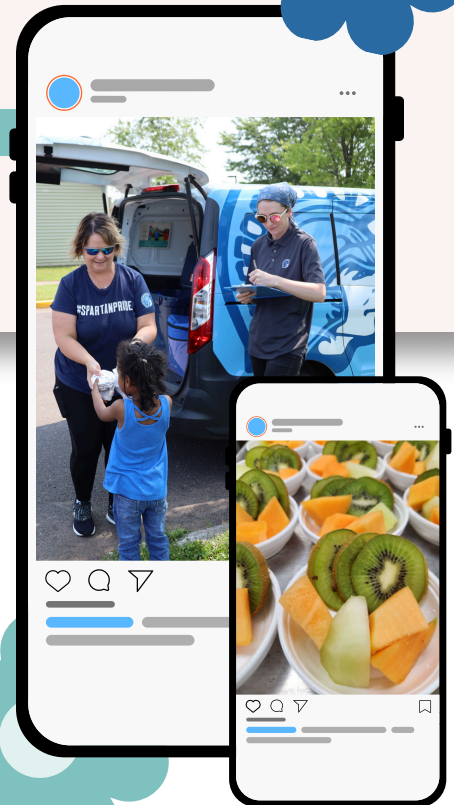

You're also welcome to send any custom requests to requests@sealevelsocialmedia.com or fill out our request form on our [website](#).

KEEP YOUR COMMUNITY ENGAGED ALL SUMMER!

Start thinking about ways to keep your community engaged this summer!

Share fun content like staff shoutouts, behind-the-scenes, or favorite recipes to keep your program top of mind.

And don't forget to send us photos from your summer meal sites so we can highlight your hard work and encourage more participation!
