SPREAD SOME HOLIDAY CHEER!

LOOKING FOR A QUICK AND FESTIVE IDEA?

- Snap a few photos of your Elf on the Shelf exploring the cafeteria to share some holiday fun.
- Feature a special holiday treat or themed lunch to bring extra joy to your students.
- Share a staff thank-you post to celebrate your team before the break.

Small moments like these go a long way in bringing joy to your social media pages this season!

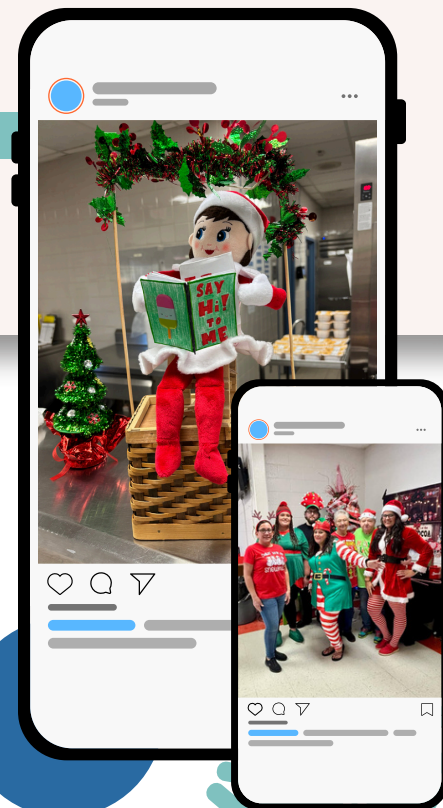

AS A WAY TO REWARD OUR TEAM FOR THEIR HARD WORK THROUGHOUT THE YEAR, SEA LEVEL SOCIAL WILL BE OUT OF THE OFFICE FROM DECEMBER 19 TO JANUARY 1.

Don't worry: Liz Whiteman Roesel will personally monitor our email accounts for requests that may come in during this time.

If your request can be fulfilled starting on January 5, we will address it then.

Your account managers will review your accounts on January 2 to ensure your content is ready for when students return to school!

We appreciate your understanding and allowing our team to have this time to unwind and enjoy time with their families and friends!
